### Art Illusion Gombrich Ernst H

this second book by gombrich is a real in depth look at the part illusion plays in art - sometimes going beyond the obvious (escher, op art etc) and into unheard of realms of the slightest hint of illusion - a book that will be most useful for artists who can recognise the very subtle elements of art beyond the simply representational, whilst still maintaining clear imagery of one kind or another. it will be a worthwhile addition to his "story of art" which is a more readily understood, and ...

### E. H. Gombrich - amazon.com

"Art and Illusion" is a classic study of image-making. It seeks to answer a simple question: why is there such a thing as style? The question may be simple but there is no easy answer, and Professor Gombrich's wide-ranging exploration of the history and psychology of pictorial representation leads him into many important areas.

**E. H. Gombrich | Open Library**

The only time I ever heard Ernst Gombrich use anything remotely like an expletive was in speaking of a well-known conservative art critic, who had apparently said that for Gombrich all art was a matter of illusion. Gombrich was angry – and I was pleased. He was right, I felt, to rebuke this distortion – or perhaps it was just a superficial reading – of “Art and Illusion”.
