For your convenience the doors on ASKO's clothes dryers are reversible. All our clothes dryers stand firmly on four feet, which are adjustable to provide level and steady placing. The clothes dryer generates heat, so if you are placing it in a small space we recommend that you leave the door open to make drying as efficient as possible.

Clothes Dryer Dimensions - Asko Appliances New Zealand
ASKO's heat pump enables a gentler drying and reduce the risk of clothes shrinking. Since the air always circulates inside the dryer they are possible to install in confined spaces. They are easy to intergrate and install.
