the autobiography of grand duchess olga as evidenced by her letters/diary, from her earliest memories to pre-WWII. i think she glossed over so many things, such as her marriage, annulment, and subsequent marriage, and her brother--tsar nicholas II--but overall it was an interesting look at what life was like as daughter and sister to the richest men in russia who also ruled 1/6th of it till the revolution. if you want more facts then the vorres book would be more to your taste.
