### Chemistry Regents Answers Yahoo

yeah it was really hard for me. I studied a lot. I took old regents exams, and I studied from the "200 ways to pass the chemistry physical setting regents exam". I think only a quarter of the info on that guide came to play in that test. I studied alot on the mole so that was good since there were alot of mole questions. but seriously, that test was frikin hard. all the other regents exams live ...

### Chemistry Regents? | Yahoo Answers

Favourite answer hey, im taking chem regents too, They key to passing (and by a lot) is PRACTICE PRACTICE PRACTICE! Take as many old regents exams as possibly, because questions are often repeated over the years.

### chemistry regents? | Yahoo Answers

I am very nervous about my Chemistry Regents exam tomorrow. For the first three quarters this year my grades have been: 94, 93, 96 and I got a 96 on the mid-term. However, I did three past chem regents today and got scores of 66, 74, and 67. Any advice or tips?! I am freaking out haha

### Chemistry Regents?!? | Yahoo Answers

I'm taking my chemistry regents tomorrow. My teacher told me to bring my graphing calculator. When I took the chemistry midterm, my proctor just cleared the memory. The proctor will provide you with a Periodic Table. Rules in your school might be different, but I don't see why my school would say to bring a graphing calculator and your school ...

### chemistry regents? | Yahoo Answers

hey everybody! I took the chem regents today and i thought it was pretty good but there were a couple questions that were ehhh :/ so if you could please tell me what u guys put and why to put an end to my paranoia that would be really great :D thx 1) a multiple choice question about H2O system at equilibrium( was it that H2O's mass was constant or equal) 2) There was another multiple choice ...
