Tahmasebi (fashion illustration, American Intercontinental Univ.) concentrates here on three basic areas of fashion illustration: the figure, garments, and technique. Line drawings guide readers through dozens of poses and outfits, while color illustrations provide direction about design, pattern, and texture rendering.

The most detailed and accurate garment drawings cannot convey a garment's true appearance without a properly drawn figure wearing it. Chapters that follow present detailed illustrations of human figures in a wide range of fashion poses, followed up with various garment shapes superimposed on the figures.
