Skill riddle challenges are logical problems that appear in Master clues during Treasure Trails. The clues always begin with "Complete the action to solve the clue" and require players to complete a skill-based action somewhere in the world. The requirements may be boosted if the player does not have a sufficient level to complete the task; however, players cannot use the assist system to ...

"We're seeking to escape uncomfortable sensations," says Eyal. "It's the desire to escape discomfort whether you're feeling bored, lonely, tired, anxious, or stressed." If distraction is any action that pulls you away from what you plan to do, then traction is an act that you plan with intent and aligned with your values.
