Secret Of Joy

Possessing the Secret of Joy, out of print for a number of years, was the first novel to deal with this controversial topic and managed to do so in a manner that Cosmopolitan called “masterful, honorable, and unforgettable storytelling.” The New Press is proud to bring the book back into print with a new preface by the author addressing the book’s

The central themes in Possessing the Secret of Joy fit together like a reasoned argument. Established first is a concern central to all of Walker's work: the subjugation of women. In this novel the focus is specifically on how ritualized female circumcision denigrates women's bodies, minds, and spirits.
