The Professional Pastry Chef by Bo Friberg is a must-have reference for all serious bakers / pastry chefs. It appears frequently as part of baking / pastry arts curriculums for good reason: Chef Bo clearly explains techniques and plating suggestions with a healthy (and entertaining) dash of food science along the way.

The Professional Pastry Chef by Bo Friberg is a must-have reference for all serious bakers / pastry chefs. It appears frequently as part of baking / pastry arts curriculums for good reason: Chef Bo clearly explains techniques and plating suggestions with a healthy (and entertaining) dash of food science along the way. I personally enjoyed the book, but 90% of people should just stick with Friberg's regular Professional Pastry Chef. The advanced book has a lot of repeated recipes from his previous pastry book, and many of the new techniques require a fully equipped pastry kitchen to attempt.
